## CHANGING THE ODDS FOR *Children*

Coming together as a community to encourage and support Delaware County children creates opportunity for success and lives lived to their fullest potential. Together we can:

- Provide safe and nurturing opportunities which help prepare children for school through **early childhood education, kindergarten readiness, early literacy, and basic school supply needs.**
- Create a sense of belonging and help students feel invested in their future through **youth development and after-school programs; in-school and out-of-school life, leadership, and academic skills; and character development.**
- Provide supportive mentoring relationships for the 800 Delaware County students at risk of academic failure.

Programs changing the odds for children include Supplies for Scholars, Imagination Library, mentorship, and preschool assessments.

## WE KNOW SOCIAL PROBLEMS ALL CONNECT

Addressing one isolated need doesn't create long-term social change. Everyone has to be involved to create ongoing, lasting change. And we're focused on bringing everyone together – non-profit organizations, foundations, private businesses, schools, churches, government, citizens – so united, we tackle our serious and complex social problems from every angle.

## THIS IS UNITED WAY

One organization looking at the holistic picture for the entire community by bringing Delaware County together around a common vision, common agenda and a common path forward to create a collective, stronger impact.

## GET ENGAGED

The most assured way to create impact and change the odds is through donations. We invite you to give to our Community Impact Fund or target your gift to the children in our community. You can also become an integral part of our community by giving of your time and talent.
