CHANGING THE ODDS FOR THE *Homeless*

By working smarter together we can shorten homelessness and provide access to holistic services that are needed to move forward. Together we can:

- Empower the working poor and homeless families and individuals to **become financially self-sufficient**.
- Learn how to create pathways out of poverty by educating the community on the root causes of generational poverty.
- Achieve awareness. Did you know? Working at minimum wage \$8.10 each week would require **working 61 hours to afford a modest one-bedroom apartment** at Fair Market Rent in Delaware County. (National Low Income Housing Coalition Out of Reach 2016 Report)

Programs changing the odds for the homeless include the Place of Warmth, and Homeless Prevention.

WE KNOW SOCIAL PROBLEMS ALL CONNECT

Addressing one isolated need doesn't create long-term social change. Everyone has to be involved to create ongoing, lasting change. And we're focused on bringing everyone together – non-profit organizations, foundations, private businesses, schools, churches, government, citizens – so united, we tackle our serious and complex social problems from every angle.

THIS IS UNITED WAY

One organization looking at the holistic picture for the entire community by bringing Delaware County together around a common vision, common agenda and a common path forward to create a collective, stronger impact.

GET ENGAGED

The most assured way to create impact and change the odds is through donations. We invite you to give to our Community Impact Fund or target your gift to the homeless in our community. You can also become an integral part of our community by giving of your time and talent.
