

Despite being one of the most affluent counties in Ohio, Feeding America estimates 16,440 Delaware County residents are food insecure, with 17% of that number representing children under the age of 18. Your financial support of the Delaware County Hunger Alliance enables the collaboration of community partners to offer the following:

- congregate dining sites
- homebound meal delivery
- summer lunch programs
- produce deliveries
- fixed pantries
- weekend meal backpack programs
- cooking classes for low income families
- mobile produce distributions/full service mobile pantries at four sites

Invest An Acre - It's Simple to Make a Difference!

THERE ARE TWO WAYS FOR YOU TO GIVE:

1. Bring your crops to your local elevator and tell the elevator that you'd like to donate a portion of your proceeds to Invest An Acre. Fill out this form and give it to the elevator manager. Then your elevator manager will make your donation to Invest An Acre and deduct that amount from your grain inventory.
2. Simply write a check to Invest An Acre for the amount you wish to give.

Then send donation to:

Invest An Acre - Mid-Ohio Foodbank
 3960 Brookham Drive
 Grove City, Ohio 43123

Mid-Ohio Foodbank will route the donation to Feeding America where it will be matched dollar for dollar by the Monsanto Match.

Feeding America will send you a receipt for your donation. Feeding America is a 501(c)(3) non-profit recognized by the IRS and your donation to the Invest An Acre program is tax deductible.
