

TURNING POINT CAPITAL CAMPAIGN FINAL MATCH

With less than \$50,000 left to raise for the Turning Point Capital Campaign, Shirley Cornely, a long-standing United Way of Delaware County advocate and donor, has provided \$25,000 in match funds. Shirley's late husband Bill was instrumental by serving as the initial lead project manager for this initiative. They were the first donors to support the Turning Point Delaware Shelter and their donation will be the final gift to complete the \$3.2 million campaign.

All individual donor gifts will be matched. To qualify, contributions must be made through the United Way of Delaware County through **November 30, 2018**.

100% of the funds raised will be directed to the Turning Point Capital Campaign.
