WE KNOW SOCIAL PROBLEMS ALL CONNECT

Addressing one isolated need doesn't create long-term social change. Everyone has to be involved to create ongoing, lasting change. And we're focused on bringing everyone together – non-profit organizations, foundations, private businesses, schools, churches, government, citizens – so united, we tackle our serious and complex social problems from every angle.

THIS IS UNITED WAY

One organization looking at the holistic picture for the entire community by bringing Delaware County together around a common vision, common agenda and a common path forward to create a stronger, collective impact.
