Women's Leadership Network

An **inclusive** network of women working together to leverage gifts of time, talent and financial resources to ensure **individuals and families have an opportunity for a stable and healthy future.**

- The WLN intentionally **shines light on problems** that few want to publicly talk about - like the **heroin epidemic and human trafficking** - contributing early to what have become state and national conversations.
- The WLN has invested in root causes of poverty and hunger and has made great strides to **provide children with school supplies and confidence** so they can focus on learning - perhaps giving each child the opportunity to change their future circumstances.
- Moving forward, the WLN will transform lives as they partner with Turning Point to **open a domestic violence shelter in Delaware County.**
- **100% of financial gifts support local programs.**

WE KNOW SOCIAL PROBLEMS ALL CONNECT

Addressing one isolated need doesn't create long-term social change. Everyone has to be involved to create ongoing, lasting change. And we're focused on bringing everyone together – non-profit organizations, foundations, private businesses, schools, churches, government, citizens – so united, we tackle our serious and complex social problems from every angle.

THIS IS UNITED WAY

One organization looking at the holistic picture for the entire community by bringing Delaware County together around a common vision, common agenda and a common path forward to create a collective, stronger impact.

GET ENGAGED

The most assured way to create impact and change the odds is through donations. We invite you to give to our Community Impact Fund or target your gift to the Women's Leadership Network. You can also become an integral part of our community by giving of your time and talent.
